

TIME ESCAPE

90 minutes of excitement, action and a common goal

A thrilling escape game with the task to save the past and future of mankind.

The story of the Time Escape Game begins when, after years of experimentation, the genius Professor Brown has developed a formula that allows him to travel through time. But a dangerous secret service tries to get hold of the valuable formula with all means. Their goal is total control over the past, present and future of mankind.

In order to save humanity from the misuse of the time travel formula, the teams must secure and decipher the formula, and that before the secret service succeeds. Armed with an iPad and a notebook full of secrets, there are ten puzzles to crack. Who will keep their nerves? Which team will be the first to decipher the time formula? An exciting race begins!
